Education

SDG 4

Monitoring and implementation of SDG 4 Quality Education related to the 2030 Agenda with the policy organization.

ASP

Associated Schools Project Network– there are currently 2 official ASP schools at the elementary level. The focus is now on preparing additional schools to apply to become part of the ASP network. These will also include high schools.

Teaching material

Continuation of (digital) teaching material in connection with the inventory of built and archeological heritage and intangible heritage.

Promoting Mathematics

Promote Mathematics starting with Proclaiming the month of March as Month of Mathematics based on the UNESCO's International Day of Mathematics

Culture

*Linked intersectoral with Education

Promoting Papiamentu

Promote the use of the mother language spoken by most of the community: Papiamentu.

<https://artedipalabra.com>
<https://kuchodiotrobanda.com>

Award & recognition

Announcement of winners of the International Mother Language Day award of Curacao. Award to stimulate production and publication of material in the mother language, e.g. books, films, plays, compositions, and more.

ICH

Implementation of the 2003 Convention for the safeguarding of the ICH.

Natural Sciences

*Linked inter sectorial with Education and Social & Human Sciences

Social & Human Sciences

*Linked inter sectorial with Education

Man and the Biosphere (MAB)

With UNESCO's support Curaçao NatCom has been actively promoting the introduction and establishment of the Biosphere Reserve vision in the Country for the last 7 years. The Commission held planning and training workshops on the MAB Program and Biosphere Reserves. In 2021 there will be a MAB Youth Forum supported by the PP.

Climate Change

Curaçao Climate Change Group along with other stakeholders will be implementing the published Curaçao Climate Change Policy Assessment.

Bring Your Own Bag

Bring your own bag initiative – youth organizations have received information regarding banishing the one-time use of plastic. Awareness campaign continues among active youth organizations.

Thank you!
